Except as otherwise provided herein, Impositions shall not include (a) any income, franchise, or margin tax, capital levy, estate, succession, inheritance or similar tax of Landlord; or (b) any franchise or margin tax imposed upon any owner of the Premises or Tenant's Personal Property or the Inventory. However, if at any time during the Term the present method of taxation shall be changed such that the whole or any part of the taxes, assessments, levies, impositions or charges now levied, assessed or imposed on real estate, improvements thereon and equipment shall be discontinued in whole or in part, or the rates for such taxes reduced, and in whole or partial substitution therefor, taxes of the type described in the immediately preceding sentence or taxes, assessments, levies, impositions, or charges shall be levied, assessed, and/or imposed wholly or partially as a capital levy or otherwise on the rents received from said real estate, improvements or equipment or the rents reserved herein or any part thereof, then such substitute taxes, assessments, levies, impositions, or charges, to the extent so levied, assessed or imposed in substitution (in whole or in part) for such other taxes shall be deemed to be included within the term Impositions. To the extent Landlord receives any notices, statements, certificates, bills, or correspondence from any Governmental Authority relating to Impositions on the Premises or Tenant's Personal Property or the Inventory payable by Tenant hereunder, then Landlord shall promptly deliver same to Tenant. Impositions that are payable by Tenant for the tax year in which the Term ends shall be apportioned so that Tenant shall pay its proportionate share of the Impositions for such period of time. installments become due. Tenant shall, if so requested, deliver to Landlord evidence of due payment of all Impositions Tenant is obligated to pay hereunder, concurrently with the making of such payment.

Landlord and Tenant have consulted with respect to the payment of Impositions for the Clinic and have determined that it is not feasible to separate the Clinic from the Premises for purposes of assessment of Impositions. Consequently, Landlord shall pay to Tenant its share of the Impositions for the Office Building allocable to the Clinic and actually paid by Tenant, based on the Clinic Proportionate Share of such Impositions for the Office Building, within thirty (30) days after receipt of a written invoice therefor from Tenant.

5.3 Tax Contest. Tenant may, at its sole cost and expense, contest the validity or amount of any Imposition for which it is responsible, in which event the payment thereof may be deferred to the extent permitted by Applicable Law, during the pendency of such contest, if diligently prosecuted. If the amount being contested is more than $1,000,000, fifteen (15) days prior to the date any contested Imposition shall become delinquent, Tenant shall deposit with Landlord or, at the election of Tenant, such bank or trust company having its principal place of business in Austin, Texas, selected by Tenant and reasonably satisfactory to Landlord (the "**Imposition Trustee**"), an amount sufficient to pay such contested item, together with any interest and penalties thereon and the estimated fees and expenses of any Imposition Trustee, which amount shall be applied to the payment of such items when the amount thereof shall be finally determined. In lieu of such cash deposit, Tenant may deliver to Landlord a surety company bond in form and substance, and issued by a company, reasonably satisfactory to Landlord, or other security reasonably satisfactory to Landlord. Nothing herein contained, however, shall be construed to allow any Imposition to remain unpaid for such length of time as would permit the Premises, or any part thereof, to be sold or seized by any Governmental Authority for the nonpayment of the same. If at any time, in the reasonable judgment of Landlord reasonably exercised, it shall become necessary to do so, Landlord may, after at least ten (10) days prior written notice to Tenant, under protest if so requested by Tenant, direct the application of the amounts so deposited or so much thereof as may be required to prevent a sale or seizure of the Premises or foreclosure of any lien created thereon by such item. If the amount deposited exceeds the amount of such payment, the excess shall be paid to Tenant, or, in case there should be any deficiency, the amount of such deficiency shall be promptly paid on demand by Tenant to Landlord (provided Landlord has advanced such amount), and, if not so paid, such amount shall be a debt of Tenant to Landlord, together with interest thereon at the Interest Rate from the date advanced until paid. Upon Landlord's written request, Tenant shall promptly furnish Landlord with copies of all proceedings and documents with regard to the contest of any Imposition, and Landlord shall have the right, at its expense, to participate therein.

5.4 Evidence Concerning Impositions. The certificate, bill, or statement issued or given by the appropriate officials authorized by Applicable Law to issue the same or to receive payment of any Imposition of the existence, nonpayment, or amount of such Imposition shall be prima facie evidence for all purposes of the existence, payment, nonpayment, or amount of such Imposition.

5.5 Rendition. For each tax year commencing after the Effective Date, Tenant shall, to the extent that rendition of the Premises, Tenant's Personal Property and the Inventory is

required by Applicable Law, render the Premises, Tenant's Personal Property and the Inventory for each Governmental Authority imposing Impositions thereon and may, if Tenant shall so desire, endeavor at any time or times to obtain a lowering of the valuation of the Premises, Tenant's Personal Property and the Inventory for any year for the purpose of reducing ad valorem taxes thereon, and in such event, Landlord will, at the request of Tenant, cooperate in effecting such a reduction, provided that Landlord shall not be required to incur any material expense in connection therewith without its prior consent. Provided that no Event of Default then exists, and rendition of the Premises, Tenant's Personal Property and the Inventory by Landlord is not required by Applicable Law, Landlord may not, without the prior written consent of Tenant, render the Premises or any portion thereof or otherwise endeavor to obtain a lowering of the valuation of the Premises, Tenant's Personal Property and the Inventory.

5.6 Utilities. Tenant shall furnish at its own expense or cause to be furnished all utilities of every type and nature required by or for the Premises and the Equipment. Tenant shall pay when due, all charges for gas, light, heat, air conditioning and all other electrical charges, telephone, cable, internet service and all other communication services, and all other utilities and similar services rendered or supplied to the Premises and the Equipment, and all water rents, sewer service charges, or other similar charges levied or charged against, or in connection with, the Premises and the Equipment, and all other utilities used or consumed at the Premises. Tenant shall apply in its own name for such utilities and shall pay when due all charges for such utilities directly to the billing entity. Landlord and Tenant have consulted with respect to the metering of utilities for the Clinic and have determined that it is not feasible to meter them separately. Consequently, Landlord shall pay to Tenant the cost of utilities used by the Clinic, based on the Clinic Proportionate Share, within thirty (30) days after receipt of a written invoice therefor from Tenant. As used in this paragraph, "utilities" mean electricity, water (including hot and chilled water), steam, wastewater, gas, and, so long as Landlord, either directly or through CommUnityCare, is acquiring the same from Tenant, medical gases.

5.7 Net Lease. Except as expressly provided in this Lease, Landlord shall not be required to make any expenditure, incur any obligation, or incur any liability of any kind whatsoever in connection with this Lease or the financing, ownership, construction, maintenance, operation, or repair of the Premises or Tenant's Personal Property or the Inventory. It is expressly understood and agreed that, except as expressly provided in this Lease, this is a completely net lease intended to assure Landlord the rentals herein reserved on an absolute net basis. Tenant shall pay, as set forth in Section 5.2, all Impositions.

5.8 Right to Perform Tenant's Obligation as to Impositions. If Tenant fails to timely pay any Imposition for which it is responsible hereunder, or fails to timely notify Landlord of its intention to contest the same, or fails to pay contested Impositions as provided in Section 5.3, Landlord may, at its election (but without obligation), pay such Imposition with any interest and penalties due thereon, and the amount so paid shall be reimbursed by Tenant on demand together with interest thereon at the Interest Rate from the date of such payment until such amount is repaid.

If, within ninety (90) days after receiving such notice and materials, Landlord has not given notice to Tenant objecting to such Alterations or Rebuilding, Landlord shall be deemed to have consented thereto. Notwithstanding the foregoing, but subject to the notice requirements set forth in Section 7.2(a), Tenant, at any time or from time to time, at its sole cost and expense, may remodel, remove, combine, partition or otherwise alter any interior space included within any building or structure comprising the Premises, and no such action shall require Landlord's consent as contemplated in this Section 7.2(b). (b) Tenant shall have no right, authority, or power to bind Landlord or any interest in the Premises for any claim for labor or for material or for any other charge or expense incurred in construction of any Alteration or other work with regard thereto, nor to render any interest in the Premises liable for any lien or right of lien for any labor, materials, or other charge or expense incurred in connection therewith, and Tenant shall in no way be considered to be the agent of Landlord with respect to, or general contractor for, the construction, erection, or operation of any Alterations or other work. If any liens or claims for labor or materials supplied or claimed to have been supplied to the Premises shall be filed, Tenant shall promptly pay and release or bond such liens to Landlord's reasonable satisfaction or otherwise obtain the release or discharge thereof. If Tenant fails to promptly pay and release or bond such lien to Landlord's reasonable satisfaction within thirty (30) days after written notice from Landlord to Tenant, Landlord shall have the right, but not the obligation, to pay, release or obtain a bond to protect against such liens and claims following written notice to Tenant, and Tenant shall reimburse Landlord on demand for any such amounts paid together with interest thereon at the Interest Rate from the date of such payment until paid.

7.4 Alterations Required By Applicable Law. If during the Term, an Alteration is required as a result of a violation of or noncompliance with any Applicable Law (a "**Tenant Required Alteration**"), the Tenant Required Alteration shall be promptly and diligently performed by Tenant, at Tenant's sole cost and expense in accordance with the provisions of Sections 7.2 and 7.3.

(f) Except as explicitly provided in this Lease or by Applicable Law, Tenant, during the Term, shall have full management and control of the organization, operation, and maintenance of the Premises, the Inventory, Tenant's Personal Property and Tenant's other personal property located on the Premises without the need of further approval and consent from Landlord. (a) During the Term, Landlord, whether alone or in conjunction with any other party, will refrain from engaging, directly or indirectly, in the business of owning or operating an acute care hospital in the City or in Travis County, Texas or any county contiguous thereto, unless Landlord's Board of Managers reasonably and in good faith determines that Tenant has substantially reduced the services required under the Omnibus Healthcare Services Agreement, in violation of the provisions thereof, such that Landlord, through Tenant, is no longer fulfilling its constitutional and statutory obligations to the residents of Travis County, Texas or that the Ethical and Religious Directives are preventing Tenant from providing hospital services necessary for the residents of Travis County, Texas.

(b) If Landlord's Board of Managers makes that determination, Landlord's Board of Managers shall provide prompt written notice to Tenant of that determination. Tenant shall then have thirty (30) calendar days within which to cure such deficiency.

(c) Should Tenant fail to cure the deficiency within such thirty (30) day period, Landlord may provide the services it believes are lacking. Landlord shall first attempt to provide those services through a contract with a third-party or third-parties. If Landlord cannot contract for those services for any reason, Landlord may, alone or in conjunction with any other party, engage in the business of owning or operating an acute care hospital in the City or in Travis County, Texas or any county contiguous thereto.

(d) Notwithstanding the foregoing, Landlord may support and collaborate with accredited universities and medical schools to support medical research and graduate medical education. (b) Additionally, Tenant shall cause all necessary systems included within the term "Premises" that affect the operation of the Clinic and that are owned or controlled by Tenant to operate around the clock on an uninterrupted basis, subject only to scheduled maintenance or interruptions due to events outside Tenant's control. In addition, Landlord recognizes that Landlord will pay for the consumption of electricity, water (including hot and chilled water), steam, wastewater, gas, and medical gases, which shall be handled as described in Section 5.6.

(c) Landlord shall have no obligation to maintain or repair the Premises or the Equipment in any way, and Landlord shall not under any circumstances be required to build or rebuild any improvement on the Premises, or to make any repairs, replacements, alterations, restorations, or renewals of any nature or description to the Premises, whether ordinary or extraordinary, structural or non-structural, foreseen or unforeseen, or to make any expenditure whatsoever with respect thereto in connection with this Lease. Landlord shall have the right to give, record, and post, as appropriate, notices of nonresponsibility under any mechanic's lien laws now or hereafter existing in connection with any work performed by or on behalf of Tenant.

(d) Tenant shall maintain in full force and effect any and all licenses, permits, and other authorizations required by any Governmental Authority with respect to Tenant's operation of the Premises and the Equipment.

(e) The provisions of this Section 8.6 are inapplicable to repairs and replacements resulting from casualty or condemnation, which are addressed in Article 11 of this Lease.

(f) Nothing contained in this Lease and no action or inaction by Landlord shall be construed as (i) constituting the consent or request of Landlord, expressed or implied, to any contractor, subcontractor, laborer, materialman, or vendor to or for the performance of any labor or services or the furnishing of any materials or other property for the construction, alteration, addition, repair, or demolition of or to the Premises or any part thereof, or (ii) giving Tenant any right, power, or permission to contract for or permit the performance of any labor or services or the furnishing of any materials or other property in such fashion as would permit the making of any claim against Landlord in respect thereof or to make any agreement that may create, or in any way be the basis for, any right, title, interest, or lien upon the estate of Landlord in the Premises, or any portion thereof; *provided, however*, that the foregoing shall not be construed to prevent mechanic's or materialman's liens that arise by operation of law on property of Tenant, if the obligation secured by such laws is paid on or before the date when due.

8.7 Amendments to Covenants, Restrictions, or Easements. Landlord, as owner of the Premises, will, from time to time so long as no Event of Default then exists, at the request of Tenant and at Tenant's cost and expense but subject to the approval of Landlord, which approval shall not be unreasonably withheld, conditioned or delayed, execute amendments to any covenants, restrictions, or easements affecting the Premises, but only upon the delivery by Tenant to Landlord of an officers' certificate stating that such amendment is not detrimental to the proper conduct of the business of Tenant on the Premises and does not materially reduce the value of the Premises.

8.8 Access to the Clinic. Patients of the Clinic have and will continue to have throughout the Term non-exclusive access to the Clinic through two (2) elevators, both on the north side of the Office Building. There is also access to the Clinic via a walkway from the parking garage to the Office Building, which shall be continued throughout the Term as long as the parking garage is in operation. (c) If Tenant shall fail to materially comply with any of the requirements of any applicable Hazardous Materials Laws, Landlord may, but shall not be obligated to, give such notices or cause such work to be performed or take any and all actions deemed reasonable and necessary to cure such failure to comply, and Tenant shall pay any resulting reasonable expenses incurred by Landlord. The provisions of this Section 9.1 are in addition to Tenant's obligations to Landlord under Section 10.6.

(d) Tenant acknowledges that its obligation in Section 10.6(a) to indemnify, protect, defend, and hold harmless any Landlord Party against Claims brought by any of Landlord's employees, agents, contractors, invitees, or representatives, or by any Governmental Authority, or by any other third party, includes matters arising from or related to:

(iii) The release or continued release during or after the Term of any Hazardous Materials from any underground storage tank on the Premises if the tank was installed during the Term or, otherwise, only if and to the extent such exposure to, or release or threatened release of, any such Hazardous Materials (or any related damage) was caused or exacerbated by an act or omission of any Person other than a Landlord Party during the Term; regardless of whether such Claims arise or are otherwise brought or asserted during or after the Term.

ARTICLE 10

All liability (including professional liability) insurance policies shall name Landlord as an additional insured and shall include contractual liability endorsements. All such policies of insurance may be provided on either an occurrence or claims-made basis. If such coverage is provided on a claims made basis, such insurance shall continue throughout the Term of this Lease, and upon the termination of this Lease, or the expiration or cancellation of the insurance, Tenant shall purchase or arrange for the purchase of either an unlimited reporting endorsement ("Tail" coverage), or "Prior Acts" coverage from the subsequent insurer, with a retroactive date on or prior to the Effective Date of this Lease and for a period of not less than two (2) years following the termination or expiration of this Lease.

Should any of the above described policies be cancelled before the expiration date thereof, notice of any such cancellation will be delivered to Landlord in accordance with the relevant policy provisions. Prior to the Effective Date, Tenant shall furnish Landlord with certificates of insurance, with new certificates of insurance or other evidence of insurance to be delivered no later than ten (10) days prior to the expiration of the current policies. If Tenant fails to maintain any insurance required to be maintained by Tenant pursuant to this Lease and such failure continues for fifteen (15) days after written notice from Landlord to Tenant, Landlord may, at its election (without obligation), procure such insurance as may be necessary to comply with these requirements, and Tenant shall reimburse Landlord for the reasonable costs thereof on demand, with interest thereon at the Interest Rate from the date of expenditure until fully reimbursed. Any and all property insurance policies required to be maintained pursuant to this Lease shall, if they do not automatically permit the waivers of subrogation contained herein, be endorsed to reflect the waivers of subrogation provided for herein.

10.5 Tenant's System Insurance. Tenant shall also maintain in effect with respect to the Premises and Equipment, insurance consistent with that maintained from time to time by Tenant for its other similar facilities in the greater Austin, Texas metropolitan area.

10.6 Indemnities. With respect to claims asserted prior to, on, or after the Effective Date, by third parties against either Tenant or Landlord relating to the Premises, the Equipment, or the business operated thereon, Tenant and Landlord agree as follows:

(a) Tenant shall indemnify, protect, defend, and hold harmless Landlord and Landlord's agents, officials, representatives, employees, invitees, contractors, and assigns (each a "**Landlord Party**") from and against any and all claims, demands, suits, and causes of action and any and all liabilities, costs, damages, expenses, and judgments incurred in connection therewith (including but not limited to reasonable attorneys' fees and court costs) (collectively, "**Claims**," and each individually, a "**Claim**"), whether arising in equity, at common law, or by statute, including the Texas Deceptive Trade Practices-Consumer Protection Act or similar statute of other jurisdictions, or under the law of contracts, torts (including, without limitation, negligence and strict liability without regard to fault) or property, and arising in favor of or brought by any of Landlord's employees, agents, contractors, invitees, or representatives, or by any Governmental Authority, or by any other third party, based upon, in connection with, relating to, or arising out of, or alleged to be based upon, be in connection with, relate to,

or arise out of Tenant's ownership, use, or operation of the Premises or the Equipment (or the actions or omissions of Persons other than Landlord Parties on or related to the Premises or Equipment) on or after October 1, 1995. Notwithstanding any other provision of this Section 10.6(a), Tenant shall have no obligation to indemnify Landlord or its agents, officials, representatives, employees, invitees, contractors, or assigns from and against any Claim arising from or relating to the environmental condition of the Premises or Equipment prior to October 1, 1995, except to the extent that any Claim results from acts or omissions of any Person other than a Landlord Party during the Term.

(b) To the extent permitted by law, Landlord shall indemnify, protect, defend, and hold harmless Tenant and Tenant's agents, trustees, officers, employees, invitees, contractors, and assigns (each a "**Tenant Party**") from and against any and all Claims, whether arising in equity, at common law, or by statute, including the Texas Deceptive Trade Practices-Consumer Protection Act or similar statute of other jurisdictions, or under the law of contracts, torts (including, without limitation, negligence and strict liability without regard to fault) or property, and arising in favor of or brought by any of Tenant's employees, agents, contractors, invitees, or representatives, or by any Governmental Authority, or by any other third party, based upon, in connection with, relating to, or arising out of, or alleged to be based upon, be in connection with, relate to, or arise out of Landlord's ownership, use, or operation of the Clinic or the Premises (or the acts or omissions of Persons other than Tenant Parties) on or after May 24, 2004.

(c) With respect to any Claim, the party seeking indemnity shall provide the other party with written notice of such Claim with reasonable promptness after such Claim is received by the party seeking indemnity. The indemnifying party shall thereafter have the right to direct the investigation, defense, and resolution (including settlement) of such third-party Claim, so long as the party seeking indemnity is allowed to participate in the same (at its own expense). The indemnifying party shall not settle a Claim without the other party's consent, which shall not be unreasonably withheld.

10.7 Waiver of Subrogation. Anything in this Lease to the contrary notwithstanding, Landlord and Tenant each, on behalf of themselves and their respective heirs, successors, legal representatives, assigns and insurers, hereby (a) waive any and all rights of recovery, claims, actions or causes of action against the other and its respective employees, agents, officers, attorneys, visitors, licensees or invitees for any loss or damage that may occur to the Premises or the Equipment, the Improvements, or any portions thereof, or any personal property of such party therein, by reason of fire, the elements, or any other cause to the extent that such loss is (i) insured against or (ii) required to be insured against under the terms of the insurance policies referred to in this Lease, regardless of cause or origin, including negligence of the other Party or its respective employees, agents, officers, partners, shareholders, attorneys, visitors, licensees, customers or invitees, and (b) covenants that no other insurer shall hold any right of subrogation against such other Party; provided, however, that the waiver set forth in this Section 10.7, shall not apply to any reasonable deductibles on insurance policies carried by Landlord or Tenant or to any coinsurance penalty which Landlord or Tenant might sustain. If the respective insurer or Landlord and Tenant does not permit such a waiver without an appropriate endorsement to such Party's insurance policy, then Landlord and Tenant each shall notify its insurer of the waiver set forth herein and to secure from such insurer an appropriate endorsement to its respective

insurance policy with respect to such waiver. **IT IS THE INTENTION OF BOTH LANDLORD AND TENANT THAT THE WAIVER CONTAINED IN THIS SECTION 10.7 APPLY TO ALL CLAIMS DESCRIBED HEREIN, INCLUDING, WITHOUT LIMITATION, ANY OF THE SAME THAT ARE CAUSED, IN WHOLE OR IN PART, BY LANDLORD OR TENANT OR THEIR RESPECTIVE VISITORS, EMPLOYEES, CONTRACTORS, AGENTS OR INVITEES.**

10.8 Officer's Certificate Regarding Insurance. Within one hundred forty (140) days after the end of Landlord's fiscal year ending September 30, 2013 and every second fiscal year thereafter, Tenant shall supply Landlord with an officers' certificate containing a detailed list of the insurance coverage provided by Tenant under this Lease (including any amounts of self-insurance) on a date therein specified (which date shall be within 30 days of the filing of such officer's certificate), and stating that the insurance so listed complies with this Article 10.

10.9 Self-Insurance. Notwithstanding anything to the contrary set forth in this Article 10, Tenant may fulfill its insurance obligations under this Article 10 under self-insurance in a manner consistent with the policies and procedures maintained for the insurance of other health care facilities operated by Ascension Health in amounts customarily carried, and against loss or damage from such causes as are customarily insured against, by companies similar to those specified in Section 10.4, including without limitation directors and officers liability insurance, fidelity bonds, and business interruption insurance.

ARTICLE 11
CASUALTY; CONDEMNATION

11.1 Casualty.

(a) Subject to Section 11.1(d), if, at any time during the Term, the Improvements or any part thereof shall be damaged or destroyed by fire or other casualty of any kind or nature, ordinary or extraordinary, foreseen or unforeseen (collectively, a "**Casualty**"), and the Rebuilding (as defined below) can reasonably be completed within one hundred and eighty (180) days from the date on which such Rebuilding might be commenced, Tenant shall repair, alter, restore, replace or rebuild (collectively "**Rebuild**" or "**Rebuilding**") the same in substantially the form in which they existed prior to such Casualty, with at least as good workmanship and quality as the Improvements damaged or destroyed and in accordance with the Construction Standards, whether or not insurance proceeds, if any, shall be sufficient for such purpose. If Tenant so elects, Tenant may propose to Landlord that Tenant Rebuild the Improvements in a form different than that in which they existed prior to such Casualty and, if Landlord approves the same (which approval shall not be unreasonably withheld, delayed or conditioned), Tenant shall Rebuild the Premises based upon revised plans and specifications approved in writing by Landlord and Tenant (which approval shall not be unreasonably withheld or delayed) (an "**Alternate Rebuilding**"). Such Alternate Rebuilding shall comply with the provisions of this Lease relating to Rebuilding. If Landlord and Tenant agree to an Alternate Rebuilding that will require sums in excess of the insurance proceeds received as a result of such damage or destruction, Tenant shall fund all such excess.

(b) Landlord and Tenant shall cooperate and consult with each other in all matters pertaining to the settlement or adjustment of any and all insurance claims. All insurance proceeds (together with the amount of the applicable deductibles) paid on account of damage or destruction under the policies of insurance provided for in Article 10 herein shall be paid to a bank selected by Tenant and approved by Landlord (the "**Insurance Proceeds Trustee**") to be applied in accordance with the terms of this Article 11.

(i) The insurance proceeds will be disbursed in reasonable installments based on a distribution schedule to be agreed upon by Landlord and Tenant, each acting reasonably, based on the design and construction for such repairs, restoration or rebuilding. Each such installment (except the final installment) shall be advanced in an amount equal to the cost of the construction work completed since the last prior advance (or since commencement of work as to the first advance) less statutorily required retainage in respect of mechanic's and materialman's liens. The amount of each installment requested shall be certified as being due and owing by Tenant and Tenant's architect in charge, and each request shall include all bills for labor and materials for which reimbursement is requested and reasonably satisfactory evidence that no lien affidavit has been placed against the Premises for any labor or material furnished for such work. The final disbursement, which shall be in an amount equal to the balance of the insurance proceeds needed to pay the cost of Rebuilding, plus the amount of any retainage, shall be made upon receipt of (x) an architect's certificate of substantial completion as to the work from Tenant's architect, (y) reasonably satisfactory evidence that all bills incurred in connection with the work have been paid, and (z) executed final releases of mechanic's liens by the general contractor and any major subcontractors and suppliers.

(ii) If the cost of any such Rebuilding is estimated by Tenant's architect (or any independent supervising architect retained by Landlord and reasonably acceptable to Tenant) to be in excess of the insurance proceeds, Tenant will, upon request of Landlord or the Insurance Proceeds Trustee, give satisfactory assurance that the funds required to meet such deficiency will be available to Tenant for such purpose. If Tenant completes any such Rebuilding, any excess insurance proceeds shall be disbursed to Tenant upon completion of such Rebuilding. If Tenant does not complete any such Rebuilding, any unexpended insurance proceeds shall be paid to Landlord.

(c) Tenant shall not be entitled to any abatement of Rent as a result of such Casualty, Rebuilding or Alternate Rebuilding except to the extent expressly provided herein.

(d) Notwithstanding the foregoing provisions of this Section 11.1, if the Improvements or any part thereof shall be damaged or destroyed by Casualty, and the Rebuilding cannot reasonably be completed within one hundred and eighty (180) days from the date on which such Rebuilding might be commenced, then Tenant may elect to terminate this Lease by giving written notice thereof no later than sixty (60) after the occurrence of such damage or destruction in which event all insurance proceeds relating to the Premises shall be paid to Landlord. If this Lease is terminated, the Rent shall be

apportioned and paid as of the date of termination. Unless this Lease is terminated pursuant to this Section 11.1(d), Tenant shall not be entitled to any abatement of Rent as a result of such Casualty.

(e) Tenant shall immediately notify Landlord of any destruction or material damage to the Premises.

(f) Notwithstanding the foregoing provisions of this Section 11.1, if the Improvements on any portion of the Clinic shall be damaged or destroyed by fire or other casualty of any kind or nature, ordinary or extraordinary, foreseen or unforeseen, and Tenant completes a Rebuilding or Alternate Rebuilding of such damaged or destroyed Improvements on the Clinic in accordance with the foregoing provisions of this Section 11.1, then Landlord shall reimburse Tenant for the actual reasonable costs of such Rebuilding or Alternate Rebuilding attributable to the Clinic on demand, with interest thereon at the Interest Rate from the date of expenditure until fully reimbursed.

11.2 Condemnation.

(a) If, at any time during the Term, title to all of the Premises shall be taken in condemnation proceedings, this Lease shall terminate on the date the condemning authority takes possession and the Rent shall be apportioned and paid to the date of such taking.

(b) If, at any time during the Term, title to less than all of the Premises shall be taken in any condemnation proceedings, and, as a result, there shall be such a major change in the character of the Premises as to prevent Tenant from using the same in substantially the same manner as before, then Tenant may either (i) terminate this Lease as of the date the condemning authority takes possession and the Rent shall be apportioned and paid to the date of such taking, or (ii) continue to occupy the remaining portion of the Premises; provided, however, that Tenant shall give written notice to Landlord, within 15 days after the date that Tenant receives written notice of any such taking or vesting of title, of its election. If Tenant continues to occupy the remaining portion of the Premises, the Rent shall be adjusted equitably based upon the condition of the Premises after restoration.

11.3 Rebuilding. If a portion of the Premises is taken in any condemnation proceedings and this Lease is not terminated, then (a) Tenant shall promptly Rebuild the portion of the Improvements not so taken (to the extent necessary for the effective operation thereof) in accordance with the same procedures described in Section 11.1 for Rebuilding following a Casualty, regardless of whether the condemnation award is adequate for Rebuilding, and (b) the condemnation award, to the extent to be used for Rebuilding, shall be paid to the Insurance Proceeds Trustee (to the same extent as if the condemnation award were insurance proceeds) and disbursed in accordance with Section 11.1(b). The Landlord shall receive the balance of the award.

11.4 Notice of Taking. Landlord and Tenant shall immediately notify the other Party of the commencement of any eminent domain, condemnation, or other similar proceedings with

regard to the Premises. Landlord and Tenant covenant and agree to fully cooperate in any condemnation, eminent domain, or similar proceeding in order to maximize the total award receivable in respect thereof.

11.5 Condemnation Award. Except as provided below in Section 11.6, nothing herein contained shall be deemed or construed to prevent Tenant from interposing and prosecuting in any condemnation proceeding a claim for the value of Tenant's interest in the Premises, including but not limited to the value of Tenant's interest in the Leasehold Estate and the value of any Tenant's Personal Property or Inventory taken, and in the case of a partial condemnation of the Premises, the cost, loss, or damages sustained by Tenant as the result of any alterations, modifications, or repairs which may be reasonably required for Tenant in order to place the remaining portion of the Premises in a suitable condition for Tenant's further occupancy; and all amounts awarded to Tenant as damages or compensation with respect to such claims (and the amount paid in any settlement of such claims) shall belong to and be the property of Tenant, Landlord likewise retaining its claims.

11.6 New Landlord Facilities.

(a) Notwithstanding the foregoing, Tenant agrees that, without seeking compensation, it will allow Landlord to relocate Landlord easements and locate additional easements on the Land and to use portions of the Land for public streets, alleys, or other public uses (collectively, "**New Landlord Facilities**"); provided that (i) any such relocation, location, or use does not unreasonably, materially and permanently interfere with Tenant's use of the Premises, and (ii) Landlord pays for any renovation, repair, or restoration necessary to restore, to the degree practical, the Premises to a condition usable by Tenant.

(b) Landlord shall also have the right to locate, relocate, or install New Landlord Facilities on the Land without the obligation to compensate Tenant in each of the following instances: (i) where additional or upgraded facilities are required for or incidental to the provision or enhancement of utility service to the Premises, including any improvements constructed by Tenant, (ii) where relocation, location, or installation is undertaken by Landlord at Tenant's request, or (iii) where the relocation, location, or installation is necessitated by condemnation or threat of condemnation for a State or Federal project, and Tenant has been reasonably compensated for the effect of such relocation, location, or installation on its interest in the Leasehold Estate by the condemning authority.

ARTICLE 12
ASSIGNMENT, TRANSFERS AND SUBLETTING

12.1 Assignment, Transfers and Subletting. Subject to Section 12.3, Tenant shall not assign, sublease, convey or otherwise transfer its interest in this Lease or the Premises, in whole or in part, without Landlord's prior written consent, which Landlord may withhold in its sole discretion; provided, however, that Tenant may assign, convey or otherwise transfer its interest in this Lease or the Premises, in whole or in part, or may assign, convey or otherwise transfer its rights, duties and obligations under this Lease, in whole or in part, to any not-for-

profit Affiliate of Tenant, without Landlord's prior written consent; provided further, however, that such assignment, conveyance or other transfer shall not be deemed to release Tenant from its obligations under this Lease.

12.2 Security Interests. Tenant shall not mortgage, pledge, hypothecate, or grant a security interest in this Lease or the Premises or its interest in either without Landlord's prior written consent, which Landlord may withhold in its sole discretion. Tenant has no authority to act on behalf of Landlord with respect to transferring or encumbering in any manner this Lease or any of the Premises.

12.3 Subletting. Tenant may enter into subleases with an initial term of not more than ten (10) years in the ordinary course of business for space in the Office Building. Each such sublease shall state that it is subject to this Lease and shall grant Landlord, at its option, the right to assume or terminate such sublease upon termination of this Lease. In no event shall Tenant be released from any liability for performance of its obligations hereunder as a result of any such sublease. No such sublease shall extend beyond the Term.

12.4 Disposition of Equipment. Tenant shall have the right to dispose of any items of Equipment or Inventory that have worn out or become obsolete and therefore not useable by Tenant in the operation of the Premises, provided that Tenant promptly replaces any such item with a new item of Equipment or Inventory serving a similar function (unless such function is obsolete).

ARTICLE 13

13.1 Landlord's Representations. Landlord hereby represents and warrants to Tenant that:

(h) To Landlord's Knowledge, except to the extent referred to in the Environmental Report, (A) Landlord has not generated, manufactured, refined, transported, treated, stored, handled, disposed of, transferred, produced or processed any Hazardous Materials on the Premises, except in compliance in all material respects with all Hazardous Materials Laws, and (B) Landlord has not received any notice, demand letter or complaint from a Governmental Authority or private agency or entity concerning any release or discharge of any Hazardous Materials on, under, about or off of the Premises or any alleged violation of any Hazardous Materials Laws involving the Premises.

TENANT'S REMEDIES FOR BREACHES OF REPRESENTATIONS AND WARRANTIES ARE LIMITED AS PROVIDED IN SECTION 19.17(b).

13.2 Tenant's Representations. Tenant hereby represents and warrants to Landlord that:

(a) Tenant is a Texas nonprofit corporation, is exempt from federal taxation as provided under section 501(c)(3) of the Code, and is in good standing under the laws of the State of Texas. (c) The execution, delivery and performance of this Lease and the consummation of the transactions contemplated hereby do not, with or without the passage of time and/or the giving of notice, (i) conflict with, constitute a breach, violation or termination of any provision of any material contract or other material agreement to which Tenant is a party, (ii) result in an acceleration or increase of any amounts due from Tenant to any person or entity, (iii) conflict with or violate the organizational documents of Tenant, or (iv) constitute a violation by Tenant in any material respect of any Applicable Law.

13.3 Reliance. Neither Party shall be entitled to rely on any representations or warranties made by the other Party to the extent that the first Party had Knowledge as of the Effective Date that such warranties and representations are incorrect.

ARTICLE 14
COVENANT OF PEACEFUL POSSESSION

Landlord covenants that Tenant, on paying the Rent and performing and observing the covenants and agreements provided to be performed by Tenant under this Lease, shall and may peaceably and quietly have, hold, occupy, use, and enjoy the Premises during the Term, and may exercise all of its rights hereunder, subject only to the provisions of this Lease, Applicable Law and the Permitted Exceptions.

ARTICLE 15
EVENT OF DEFAULT AND REMEDIES

15.1 Tenant Event of Default. Each of the following shall be an "**Event of Default**" by Tenant hereunder and a material breach of this Lease:

(a) Tenant fails to pay any installment of Rent or any other sum payable by Tenant to Landlord under this Lease on the date upon which the same is due to be paid, and such default continues for thirty (30) days after Tenant has been given a written notice from Landlord specifying such Default;

(b) Tenant fails to pay Impositions as and when due and provide Landlord with evidence of payment prior to the date on which penalties and interest can lawfully accrue due to non-payment, and, subject to Tenant's right to contest Impositions pursuant to Section 5.3, such failure continues for thirty (30) days after Tenant has been given a written notice from Landlord specifying such Default;

(c) Tenant fails to operate University Medical Center Brackenridge located on the Premises pursuant to Section 8.5, and such failure continues for thirty (30) days after Tenant has been given a written notice from Landlord specifying such Default; provided, however, that such failure to operate is subject to modification pursuant to Section 17;

(d) The Medicare number used by Tenant at University Medical Center Brackenridge located on the Premises is terminated, excluded, or debarred because of Tenant's criminal act, or Tenant is convicted of a criminal felony offense because of a criminal act relating to the provision of health care services by Tenant at University Medical Center Brackenridge located on the Premises;

(e) Tenant fails to keep, perform, or observe any of the covenants, agreements, terms, or provisions contained in this Lease that are to be kept, performed or observed by Tenant under this Lease that are not described in Subsections (a) - (d) above, and Tenant fails to remedy the same within sixty (60) days after Tenant has been given a written notice from Landlord specifying such Default; provided, however, that if such Default can be cured but by its nature cannot be cured within such sixty (60) day time period, and if Tenant has commenced curing such Default within such time period and thereafter diligently and with continuity pursues such cure to completion, such sixty (60) day time period shall be extended for the period of time reasonably necessary for Tenant to cure such Default;

(f) If an involuntary petition shall be filed against Tenant under any bankruptcy or insolvency law or under the reorganization provisions of any law of like import or if a receiver of Tenant, or of all or substantially all of the property of Tenant, shall be appointed without acquiescence, and such petition or appointment is not discharged or stayed within one hundred eighty (180) days after the happening of such event; or

(g) If Tenant shall make an assignment of its property for the benefit of creditors or shall file a voluntary petition under any bankruptcy or insolvency law, or seek relief under any other law for the benefit of debtors

15.2 Landlord's Remedies.

(a) Subject to the limitations in Section 19.17 but except as otherwise provided herein, Tenant shall be liable to Landlord for any damages that result from any

Event of Default. Without limiting the generality of the foregoing, if any Event of Default occurs and is continuing, Landlord may, at its option and in addition to the other rights and remedies available to Landlord under this Lease or under the Ancillary Agreements, file suit against Tenant in a court of competent jurisdiction for specific performance or injunctive relief, or to collect the unpaid Rent and damages for breach of any other covenants, agreements, terms or provisions contained in this Lease (plus interest at the Interest Rate as provided under Section 19.16 and attorneys' fees as provided in Section 19.6).

(b) In addition to any other rights or remedies available to Landlord under this Lease or under the Ancillary Agreements, if any Event of Default has occurred under Subsections (b) or (e) of Section 15.1, Landlord may perform the covenant, agreement, term or provision which Tenant has failed to perform, in which event Tenant shall reimburse Landlord for all reasonable costs reasonably incurred by Landlord in curing or attempting to cure such Event of Default, together with interest at the Interest Rate as provided in Section 19.16 and attorneys' fees as provided in Section 19.6.

(c) If an Event of Default described in Subsections (a), (b), (c), (d), or (e) of Section 15.1 has occurred and is continuing, then subject to the provisions of Section 15.2(g), in addition to the remedies set forth in Section 15.2(a) and (b), Landlord may exercise its rights under Section 15.2(a) above and/or do any one of the following:

(i) Landlord may terminate this Lease by giving Tenant written notice thereof, in which event this Lease and the Leasehold Estate and all interest of Tenant and all parties claiming by, through, or under Tenant shall terminate as set forth in Section 15.5 below.

(ii) Landlord may terminate this Lease by giving Tenant written notice thereof, in which event this Lease and the Leasehold Estate and all interest of Tenant and all parties claiming by, through, or under Tenant shall automatically terminate upon the effective date of such notice; and Landlord, its agents or representatives, shall have the right, without further demand or notice, to reenter and take possession of the Premises and remove all persons and property therefrom with process of law, without being deemed guilty of any manner of trespass and without prejudice to any remedies for arrears of Rent or existing breaches hereof. In the event of such termination, Tenant shall be liable to Landlord for all Rent accrued to the date of termination and damages in an amount equal to (i) the discounted (at the rate of 6% per annum) present value of the amount by which the Rent reserved hereunder for the remainder of the stated Term exceeds the then net fair market rental value of the Premises for such period of time, plus (ii) all expenses incurred by Landlord in enforcing its rights hereunder. The fair market rental value of the Premises for purposes of this Section 15.2(c)(ii) shall be determined based on any use of the Premises then permitted by Chapter 281, Texas Health & Safety Code, and Applicable Law.

(iii) Landlord may terminate Tenant's right to possession of the Premises and enjoyment of the rents, issues, and profits therefrom without terminating this Lease or the Leasehold Estate, and reenter and take possession of the Premises and

remove all persons and property therefrom with process of law, without being deemed guilty of any manner of trespass and without prejudice to any remedies for arrears of Rent or existing breaches hereof, and lease, manage, and operate the Premises and collect the rents, issues, and profits therefrom all for the account of Tenant, and credit to the satisfaction of Tenant's obligations hereunder the net rental thus received (after deducting therefrom all reasonable costs and expenses of repossessing, leasing, managing, and operating the Premises). If the net rental so received by Landlord is less than the amount necessary to satisfy all of Tenant's obligations under this Lease, Tenant shall pay to Landlord on demand the amount of such deficiency together with interest at the Interest Rate, and Landlord may bring suit from time to time to collect such deficiency. If the net rental so received by Landlord exceeds the aggregate amount necessary to satisfy all of Tenant's obligations under this Lease, Landlord shall retain such excess. So long as Landlord uses reasonable efforts to do so, Landlord shall not be liable for failure to so lease, manage, or operate the Premises or collect the rentals due under any subleases and any such failure shall not reduce Tenant's liability hereunder. If Landlord elects to proceed under this Section 15.2(c)(iii), Landlord may at any time thereafter elect to terminate this Lease as provided in Section 15.2(c)(ii). If Landlord operates any portion of the Premises, Landlord shall credit to the satisfaction of Tenant's obligations hereunder the net profits from such operation, with such credit to be determined on an aggregate basis for each calendar year and with the net profits for any calendar year to be credited against Tenant's obligations for the following calendar year.

(d) Landlord shall not have the right to terminate this Lease or Tenant's right to possession of the Premises pursuant to Section 15.2(c) solely by reason of the occurrence of an Event of Default described in Section 15.1(f) or (g).

(e) In addition to any other rights or remedies available to Landlord under this Lease or under the Ancillary Agreements, if any Ancillary Agreement is terminated, Landlord shall also have the right to terminate this Lease or Tenant's right to possession of the Premises pursuant to Section 15.2(c). If an Ancillary Agreement is terminated and Landlord elects to terminate this Lease under Section 15.2(c)(ii) or Tenant's right to possession of the Premises under Section 15.2(c)(iii), then Seton Healthcare Family shall no longer be required to comply (or arrange for Tenant to comply) with the Post-Termination Services provisions of the Master Agreement.

(f) Nothing contained in this Section 15.2 shall limit any remedies available to Landlord pursuant to the Ancillary Agreements with respect to any failure by Tenant to keep, perform or observe any of the covenants, agreements, terms or provisions contained in the Ancillary Agreements that are to be kept, performed or observed by Tenant.

(g) Remedies provided to Landlord pursuant to this Section 15.2 and Section 15.5 are Landlord's sole and exclusive remedies in the event of an Event of Default by Tenant.

(h) Pursuit of any of the remedies provided for in this Lease shall not preclude pursuit of any of the other remedies provided in this Lease, nor shall pursuit of any remedy provided in this Lease constitute a forfeiture or waiver of any Rent due to

Landlord hereunder or of any damages accruing to Landlord by reason of the violation of any of the terms, provisions, and covenants herein contained (except as may otherwise be expressly provided herein). Landlord's acceptance of Rent following an Event of Default shall not be construed as Landlord's waiver of such Event of Default. No waiver by Landlord of any violation or breach of any of the terms, provisions, and covenants herein contained shall be deemed or construed to constitute a waiver of any other violation or default. The loss or damage that Landlord may suffer by reason of its termination of this Lease upon the occurrence of an Event of Default shall include the reasonable out-of-pocket expenses actually incurred by Landlord, if any, within 180 days following the date of termination in re-equipping or otherwise restoring the Premises to a condition which is sufficient to enable Landlord to provide the level of services specified in Section 8.1(a)(ii) upon or in the Premises.

(i) Except as expressly stated in this Lease, each legal or contractual right, power, and remedy of Landlord now or hereafter provided in this Lease or by statute or otherwise shall be cumulative and concurrent and shall be in addition to every other right, power, and remedy, and the exercise or beginning of the exercise by Landlord of any one or more of such rights, powers, and remedies shall not preclude the simultaneous or subsequent exercise by Landlord of any or all of such other rights, powers, and remedies.

(j) Notwithstanding the provisions of Section 15.2(c), if Tenant has in good faith disputed the existence of an Event of Default, and Tenant makes all payments of Rent on or before the due dates for such payments and otherwise timely performs its obligations under this Lease, then until (i) Landlord and Tenant have completed the dispute resolution provided in Section 7 of the Master Agreement, and (ii) such Event of Default is not cured within ten (10) days after the conclusion of the dispute resolution provided in Section 7 of the Master Agreement, Landlord shall not exercise its remedies pursuant to Section 15.2(c) based on the disputed Event of Default.

15.3 Landlord's Default. Each of the following shall be a "**Landlord Event of Default**" by Landlord hereunder and a material breach of this Lease:

(a) Landlord fails to make any payment of money required to be paid by Landlord to Tenant or any third party under this Lease on the date upon which the same is due to be paid, and such default shall continue for thirty (30) days after Landlord has been given a written notice from Tenant specifying such Default; or

(b) Landlord fails to keep, perform or observe any of the covenants, agreements, terms or provisions contained in this Lease that are to be kept, performed or observed by Landlord under this Lease that is not described in Subsection (a) above, and Landlord fails to remedy the same within sixty (60) days after Landlord has been given a written notice from Tenant specifying such Default; provided, however, that if such non-monetary Default can be cured but by its nature cannot be cured within such sixty (60) day time period, and if Landlord has commenced curing such Default within such time period and thereafter diligently and with continuity pursues such cure to completion, such sixty (60) day cure period shall be extended for the period of time reasonably necessary for Landlord to cure such Default.

15.4 Tenant's Remedies. Subject to the limitations in Section 19.17, Landlord shall be liable to Tenant for any damages that result from any Landlord Event of Default. Without limiting the generality of the foregoing, if any Landlord Event of Default occurs and is continuing, Tenant may, at its option and in addition to the other rights or remedies available to Tenant under this Lease or under the Ancillary Agreements, either (i) perform whatever action Landlord has failed to perform, in which event Tenant shall have the right to bring suit against Landlord for the reasonable cost to perform such action (plus interest at the Interest Rate as provided under Section 19.16 and attorneys' fees as provided in Section 19.6), (ii) file suit against Landlord in a court of competent jurisdiction to enforce specifically the provisions of this Lease, to obtain injunctive relief, and to collect attorneys' fees as provided in Section 19.6, (iii) subject to the limitations in Section 19.17 and in Section 1.5, file suit against Landlord in a court of competent jurisdiction to collect damages that are available to Tenant under Applicable Law (plus interest at the Interest Rate as provided under Section 19.16 and attorneys' fees as provided in Section 19.6), or (iv) in the event of a Landlord Event of Default relating to Landlord's covenants and agreements under Section 8.3 or resulting in an eviction of Tenant from all or any material portion of the Premises, subject to Section 15.5, terminate this Lease.

(b) Notwithstanding the foregoing, if Landlord disputes in good faith the existence of a Landlord Event of Default relating to Landlord's covenants and agreements under Section 8.3 or resulting in an eviction of Tenant from all or any material portion of the Premises, then (i) until Landlord and Tenant have completed the dispute resolution process provided for in Section 7 of the Master Agreement, and (ii) such Landlord Event of Default is not cured within ten (10) days after the conclusion of the dispute resolution process provided for in Section 7 of the Master Agreement, Tenant shall not terminate this Lease as a result of a Landlord Event of Default relating to Landlord's covenants and agreements under Section 8.3 or resulting from an eviction of Tenant from all or any material portion of the Premises.

(c) Except as expressly provided in this Lease, Tenant shall have no right to terminate this Lease as a result of a Landlord Event of Default.

(d) In addition to any other rights or remedies available to Tenant under this Lease or under the Ancillary Agreements, if the Master Agreement is terminated under Section 6.9 of the Master Agreement or Seton Healthcare Family (either itself or by and through Tenant) is no longer required to comply with the Post-Termination Services provisions of the Master Agreement under Section 8.1.7 of the Master Agreement, Tenant shall have the right to terminate this Lease under Section 15.5.

(e) Nothing contained under this Section 15.4 shall limit any remedies available to Tenant pursuant to the Ancillary Agreements with respect to any failure by Landlord to keep, perform or reserve any of the covenants, agreements, terms or provisions contained in the Ancillary Agreements that are to be kept, performed or observed by Landlord; provided, however, that except as expressly provided in this Lease or in the Ancillary Agreements, Tenant shall have no right to terminate this Lease.

(f) Notwithstanding anything to the contrary set forth in this Lease, until (i) Landlord and UT-Austin have entered into the UT-Austin/Landlord Agreement and (ii) Landlord and Tenant have entered into the New Teaching Hospital Agreement, Tenant shall have the right, in its sole and absolute discretion, to terminate this Lease and pay to Landlord the Rental Damages as liquidated damages for Tenant's termination of this Lease in the time and manner set forth in this Section 15.4(f). The Rental Damages payment is in lieu of paying (i) any Base Rent or Additional Rent (or damages for either of the foregoing) that would have accrued during the remainder of the Term of this Lease beyond the Termination Date, and (ii) any other damages that would be caused by Tenant as a result of Tenant terminating this Lease under this Section 15.4(f). Landlord and Tenant acknowledge and agree that (i) the actual amount of Landlord's damages for Tenant's termination of this Lease under this Section 15.4(f) are very difficult and impracticable to forecast and determine, and (ii) the liquidated damages provided for in this Section 15.4(f) are a fair and reasonable estimate of Landlord's damages that would be caused by Tenant's termination of this Lease under this Section 15.4(f). If Tenant exercises its right to terminate this Lease and pay to Landlord the Rental Damages as described in this Section 15.4(f), Landlord and Tenant agree that the following shall apply:

(i) Tenant will exercise this termination option by giving Landlord a Termination Notice including the tender of payment of the Rental Damages to an escrow agent reasonably acceptable to the Parties (the "**Escrow Agent**") to be held in escrow under a commercially reasonable escrow agreement to be agreed upon by the Parties. Subject to Section 15.4(f)(ii), the Termination Date shall be one (1) year after the receipt of such notice.

(ii) Upon receipt of such notice, Landlord may invoke the Post-Termination Services Period provided for in Section 8.1.3 of the Master Agreement for the five-year period following the Termination Notice Date. In the event that the Post-Termination Services Period has been invoked the final Term of this Lease shall be coterminous with the Post-Termination Services Period.

(iii) As promptly as practicable and in any case not less than ninety (90) days prior to the Final Termination Date, Tenant shall provide Landlord with a reasonable description of Tenant's Personal Property.

(iv) Within sixty (60) days after Tenant provides a reasonable description of Tenant's Personal Property to Landlord, Landlord shall identify in writing those items of Tenant's Personal Property that Landlord wishes to retain following the Final Termination Date (the "**Landlord-Acquired Property**"). If Landlord fails to respond within such sixty (60) day period, then Landlord will be deemed to have waived its right under this process to identify and retain the Landlord-Acquired Property. Tenant, at its option, may then identify the Landlord-Acquired Property, if any.

(v) Within thirty (30) days following the identification of the Landlord-Acquired Property, Tenant shall cause all items of Tenant's Personal Property other than the Landlord-Acquired Property to be removed from the Premises. Within the

time period set forth in the escrow agreement to be agreed upon by the Parties, Escrow Agent shall pay the Rental Damages to Landlord, which shall be offset by an amount equal to 50% of the net book value as reflected on the books and records of Tenant of the Landlord-Acquired Property; *provided, however,* that the offset amount for the Landlord-Acquired Property pursuant to this Section 15.4(f)(v) shall not exceed $20,000,000. Upon payment of such amount provided for in this Section 15.4(f)(v), Tenant will transfer the Landlord-Acquired Property to Landlord by bill of sale or other appropriate conveyance.

(vi) Except for Section 15.5.4(b), the provisions of Section 15.5.4 shall apply.

This Section 15.4(f) shall automatically terminate and be of no further force or effect after Landlord and UT-Austin have entered into the UT-Austin/Landlord Agreement and Landlord and Tenant have entered into the New Teaching Hospital Agreement.

15.5 Termination Process. Except for a termination of this Lease by Landlord under Section 15.2(e), in the event a Party elects to exercise its right to terminate this Lease (including by Tenant for a Landlord Event of Default) during or at the end of the Term, Landlord and Tenant shall follow the procedures described below:

15.5.1 Termination Date. The terminating Party shall give written notice of termination (the "**Termination Notice**") to the non-terminating Party. The effective date of termination of this Lease (the "**Termination Date**") shall be one (1) year after the date of the receipt of the Termination Notice or completion of the Dispute Resolution Process set forth in Section 7 of the Master Agreement, whichever occurs last ("**Termination Notice Date**") subject to Section 15.5.2 and Section 15.5.3. The period of time between the Termination Notice Date and the Termination Date shall be the "**Termination Notice Period**."

15.5.2 Post-Termination Services Period. If at any time before or during the Termination Notice Period, the Master Agreement is terminated and the Post-Termination Services Period (as defined in the Master Agreement) begins, the Termination Date shall be extended until the end of the Post-Termination Services Period (or the second Post-Termination Services Period if agreed to by the parties). If at any time, Seton Healthcare Family (either itself or by and through Tenant) chooses not to provide or breaches its obligation to provide the Post-Termination Services (as defined in the Master Agreement) (the "**Post-Termination Services**") other than for reasons set forth in Section 8.1.7 of the Master Agreement, the Landlord and Tenant agree that the following shall apply:

(a) The Parties mutually agree that Seton Healthcare Family's (either itself or by and through Tenant) breach of its duties and obligations imposed under Section 8.1.3 and Section 8.1.4 of the Master Agreement related to the Post-Termination Services would cause immediate and irreparable harm to the citizens of Travis County and Landlord could not be fully remedied with money damages. Therefore, equitable relief, including specific performance and injunctive relief, is an appropriate remedy for

any such breach. Such equitable relief will be in addition to and not in limitation of or substitution for any other remedies or rights to which Landlord may be entitled at law or in equity.

(b) In addition to the other remedies provided for herein, Landlord may, at its option, file suit against Seton Healthcare Family and Tenant in a court of competent jurisdiction to collect damages for breach of the duties and obligations imposed under Section 8.1.3 and Section 8.1.4 of the Master Agreement related to the Post-Termination Services (plus interest and attorneys' fees). The Parties acknowledge and agree that this Section 15.5.2(b) is not subject to the limitations in Sections 19.6, 19.16 and 19.17 and the equitable remedies that are permitted in Section 15.5.2(a).

(c) In addition to the other remedies provided for herein, Landlord may terminate this Lease or terminate Tenant's right to possession of the Premises immediately upon written notice in which case Section 15.5.4 shall apply.

(d) The terms of this Lease will govern this Lease during the Post-Termination Services Period except that (i) the Term will be continued and coterminous with the Post-Termination Services Period or such earlier time as the Post-Termination Services can be effectively transferred to other Tenant facilities; (ii) that Landlord (and not Tenant) shall have the right to make any Alteration during the Post-Termination Services Period at Landlord's sole cost and expense; and (iii) that any Rebuild or Rebuilding required under Article 11 or any Alternate Rebuilding during the Post-Termination Services Period shall be the responsibility of Landlord and at Landlord's sole cost and expense, and (iv) that if the Lease (or, as applicable, the New Teaching Hospital Agreement) is terminated for any reason during or at the end of the Post-Termination Services Period, the provisions of Section 15.5.4 shall apply.

15.5.3 Termination without Post-Termination Services Period. In the event that this Lease is terminated and the Post-Termination Services Period is not initiated before or during the Termination Notice Period, the Lease shall terminate at the end of the Termination Notice Period in which case Section 15.5.4 shall apply.

15.5.4 Termination. Upon the termination or the expiration of this Lease for any reason (including a termination of this Lease by Landlord under Section 15.2(e) and at the expiration of the Post-Termination Services Period), the rights and responsibilities of the Parties shall be allocated as follows effective as of the Termination Date or the date of expiration of this Lease as applicable (the "**Final Termination Date**"):

(a) Surrender of Premises and Licensing Cooperation. Tenant's right, title, and interest in and to the Premises pursuant to this Lease shall terminate on the Final Termination Date and shall revert to Landlord. On the Final Termination Date, Tenant shall peaceably quit, deliver up, and surrender the Premises to Landlord in accordance with Section 19.7 free of all claims and liens other than (i) the Permitted Exceptions, and (ii) liens consented to in writing by Landlord. Tenant will use commercially reasonably efforts to assist Landlord in obtaining any and all licenses, permits, and other authorizations required by any Governmental Authority with respect to Landlord's operation of the Premises following the Final Termination Date.

(b) Tenant's Personal Property. As promptly as practicable and in any case not less than ninety (90) days prior to the Final Termination Date, Tenant shall provide Landlord with a reasonable description of Tenant's Personal Property. Within sixty (60) days thereafter, Landlord shall identify in writing those items of Tenant's Personal Property which Landlord wishes to retain following the Final Termination Date (the "**Landlord-Retained Property**"). If Landlord fails to respond within such sixty (60) day period, then Landlord will be deemed to have waived its right under this process to identity and retain the Landlord-Retained Property. Tenant, at its option, may then identify the Landlord-Retained Property, if any. Within thirty (30) days following the identification of the Landlord-Retained Property, Tenant shall cause all items of Tenant's Personal Property other than the Landlord-Retained Property to be removed from the Premises.

(c) Assumption of Liabilities by Landlord; Reimbursement of Prepaid Expenses. As promptly as practicable and in any case not less than ninety (90) days prior to the Final Termination Date, Tenant shall provide Landlord with a reasonable description those contracts, leases (including all capitalized leases), agreements, instruments, and other obligations of Tenant relating to, or entered into by Tenant in connection with its use of, the Premises. Within sixty (60) days thereafter, Landlord shall identify in writing those contracts, leases (including all capitalized leases), agreements, instruments, and other obligations of Tenant relating to, or entered into by Tenant in connection with its use of, the Premises with respect to which Landlord will choose to become obligated as of the Final Termination Date (the "**Landlord-Assumed Obligations**"). Effective as of the Final Termination Date, Landlord shall assume and promptly discharge when due all of Tenant's rights, duties, liabilities, and obligations which accrue from and after the Final Termination Date (unless Landlord has otherwise expressly agreed in writing) under the Landlord-Assumed Obligations, and shall not assume or be deemed to have assumed any other right, duty, liability, or obligation of Tenant under or in connection with the Premises (the "**Tenant-Retained Obligations**").

(d) Turnover of Tenant Inventory. On the Final Termination Date, Tenant shall turn over to Landlord in good condition and appropriate containers all Inventory and any records relating thereto.

(e) Patient Obligations. Landlord acknowledges that as of the Final Termination Date there may be patients located in certain portions of the Premises and that as of the Final Termination Date Landlord shall accept such patients as patients of Landlord and shall assume responsibility and liability for treating such patients. All revenue and expenses incurred after the Final Termination Date in connection with such patients shall become revenue and expenses of Landlord. Notwithstanding the foregoing, all liability arising from or in connection with treatment and care which was rendered to such patients by Tenant from the Effective Date through and including the Final Termination Date shall be borne solely by Tenant, regardless of whether it is asserted prior to, on, or after the Final Termination Date.

To compensate Tenant for services rendered and medicine, drugs, and supplies provided on or before the Final Termination Date (the "**Tenant Termination Services**")

with respect to patients admitted to University Medical Center Brackenridge on or before the Final Termination Date but who are not discharged until after the Final Termination Date (each such patient being referred to individually as a "**Termination Patient**"), Landlord shall pay to Tenant an amount (the "**Tenant Prorated Amount**") equal to (i) the total payments received from or with respect to each Termination Patient multiplied by a fraction, the numerator of which shall be the total number of days prior to the Final Termination Date during which such Termination Patient was a patient in University Medical Center Brackenridge, and the denominator of which shall be the total number of days elapsed between such Termination Patient's admission to, and discharge from, University Medical Center Brackenridge, minus (ii) any deposits or co-payments made prior to the Final Termination Date by or with respect to such Termination Patient. Landlord will pay the Tenant Prorated Amount with respect to any Termination Patient to Tenant within forty-five (45) days after receipt of payments by Landlord with respect to such Termination Patient, which shall be accompanied by such documentation as may be reasonably requested by Tenant.

(f) Transition Services; Termination Audit and Proration; Accounts Receivable and Accounts Payable

(i) For a period of 180 days following the Final Termination Date, Tenant shall cooperate with Landlord to provide it with information Landlord requests about the Premises, the Landlord-Acquired Property and the Landlord-Assumed Obligations, and shall take reasonable measures within Tenant's control to facilitate Landlord's assumption of the operation of the Premises.

(ii) For a period of 180 days following the Final Termination Date, Landlord will provide to Tenant any reasonable transition services requested by Tenant in connection with the termination of this Lease and the assumption of possession and operation of the Premises by Landlord. In addition, Tenant and Landlord may by mutual agreement engage an auditing or accounting firm to perform an audit of Tenant's operations of the Premises for that portion of Tenant's fiscal year ending as of the day prior to the Final Termination Date, and to assist the Parties in preparing a proration and a cash settlement of accounts. The Parties shall share the cost of such auditing or accounting firm equally.

(iii) Tenant will own all Accounts Receivable which result from the operation of University Medical Center Brackenridge from the Effective Date through, but not including, the Final Termination Date (including, without limitation, any reimbursements arising from Title XVIII Medicare Cost Report Settlements and Accounts and any settlements with third party payors resulting from the operation of University Medical Center Brackenridge for periods from the Effective Date through, but not including, the Final Termination Date) (the "**Tenant Termination Accounts Receivable**"). Landlord will own all Accounts Receivable which result from the operation of University Medical Center Brackenridge from and after the Final Termination Date (including, without limitation, any reimbursements arising from Title XVIII Medicare Cost Report

Settlements and Accounts and any settlements with third-party payors resulting from the operation of University Medical Center Brackenridge for periods from and after the Final Termination Date) (the "**Landlord Termination Accounts Receivable**"). Landlord agrees that any amount received by Landlord on account of Tenant Termination Accounts Receivable and identified or identifiable as such through reasonable commercial efforts will be promptly remitted to Tenant. Tenant agrees that any amounts received by Tenant on account of Landlord Termination Accounts Receivable and identified or identifiable as such through reasonable commercial efforts will be promptly remitted to Landlord. Any amounts received by Landlord or Tenant that are not identifiable to specific services shall be allocated to Tenant and Landlord pro rata, according to the proportion which the amount owed to Tenant or Landlord by the relevant account party bears to the aggregate amount owed to Landlord and Tenant by such account party. The Parties agree to cooperate in good faith to fulfill the commitments of each Party contained in this Section.

(iv) Landlord covenants and agrees to pay, not later than the due date therefor, all accounts payable or other current liabilities relating to University Medical Center Brackenridge which relate to periods from and after the Final Termination Date and to provide evidence to Tenant of such payment if requested.

(v) Tenant covenants and agrees to pay, not later than the due date therefor, all accounts payable or other current liabilities relating to University Medical Center Brackenridge which relate to the period from and after the Effective Date and prior to the Final Termination Date and to provide evidence to Landlord of such payment if requested.

ARTICLE 16
NON-DISTURBANCE

16.1 The Premises are currently not subject to any deed of trust or similar lien.

16.2 Landlord may sell, convey or otherwise transfer Landlord's interest in the Premises, but any such sale, conveyance or other transfer shall be subject to the provisions of this Lease and Tenant's rights in and to the Premises created hereby.

16.3 If any holder of a future mortgage shall become the owner of the Premises by reason of foreclosure of such future mortgage or otherwise, or if the Premises shall be sold as a result of any action or proceeding to foreclose such future mortgage, or transfer of ownership by deed given in lieu of foreclosure, this Lease shall continue in full force and effect, without necessity for executing any new lease, as a direct lease between Tenant and the then owner of the Premises, as "landlord", upon all of the same terms, covenants and provisions contained in this Lease.

ARTICLE 17
TEACHING HOSPITAL

17.1 Teaching Hospital.

(a) As contemplated in the Master Agreement, Tenant intends to design, develop, construct and equip, at a cost not to exceed the amount that shall be approved therefor by Ascension Health, a hospital ("**Teaching Hospital**") that shall replace University Medical Center Brackenridge and shall serve as the teaching hospital for a new medical school ("**Medical School**"). Such Medical School shall be located in Austin, Texas and shall be owned and operated by The University of Texas at Austin ("**UT-Austin**"). The Parties acknowledge and agree that they will reasonably and in good faith work together and cooperate with UT-Austin in the design, development and construction of the Medical School. Additionally, Landlord acknowledges and agrees that it will reasonably and in good faith work and cooperate with Tenant in the development and construction of the Teaching Hospital, including, without limitation, obtaining the Necessary Approvals and any other necessary consents, permits, licenses or approvals for the development and construction of the Teaching Hospital and for the joint use of any facilities that remain on the Land after construction of the Teaching Hospital.

(b) As soon as reasonably practicable, Landlord, in consultation with and with the active participation of Tenant, shall commence negotiations with UT-Austin, with the view to entering into a written agreement ("**UT-Austin/Landlord Agreement**"), pursuant to which Landlord shall be entitled to purchase, lease or otherwise acquire from UT-Austin, in accordance with the terms and subject to the conditions set forth therein, the real property ("**Designated Real Property**") designated therein, on which the Teaching Hospital shall be located. The terms and conditions of the UT-Austin/Landlord Agreement shall be satisfactory to Tenant in all material respects.

(c) As soon as reasonably practicable after the date on which UT-Austin and Landlord shall have entered into the UT-Austin/Landlord Agreement, Landlord and Tenant shall commence negotiations, with the view to entering into a written agreement ("**New Teaching Hospital Agreement**"), pursuant to which Tenant shall be entitled to lease (or sublease) from Landlord, in accordance with the terms and subject to the conditions set forth therein, the Designated Real Property, for the purpose of constructing and operating the Teaching Hospital thereon.

(d) As soon as reasonably practicable after the date on which Landlord and Tenant shall have entered into the New Teaching Hospital Agreement, Landlord and Tenant shall commence negotiations, with the view to entering into a written amendment ("**Lease Amendment**") to this Lease, pursuant to which Tenant shall be entitled to lease, occupy and use the Premises (or such portion thereof as shall be specified therein), from and after the Teaching Hospital Commencement Date. The Lease Amendment will be dated effective as of the Teaching Hospital Commencement Date, and will be based on market terms reasonably determined by Landlord and Tenant. The Parties acknowledge and agree they must negotiate and consummate a mutually agreeable Lease Amendment and/or other contract relating to the termination of this Lease and the post-termination use

of the University Medical Center Brackenridge property, facilities, services, and programs in connection with the use and operation of the Teaching Hospital.

(e) As used herein the term:

(i) "**Teaching Hospital Commencement Date**" means the date on which Tenant shall have received all Necessary Approvals and shall have opened the Teaching Hospital to the public and shall have commenced the delivery of Patient Services at the Teaching Hospital;

(ii) "**Necessary Approvals**" means all licenses, certifications, permits, accreditations and regulatory and other approvals necessary for the qualification of the Teaching Hospital as a Medicare and Medicaid provider and for Tenant to open the Teaching Hospital to the public and commence the delivery of Patient Services therein;

(iii) "**Patient Services**" means inpatient and outpatient medical and surgical services and other healthcare services customarily incidental or ancillary thereto.

ARTICLE 18
ALTERNATIVE DISPUTE RESOLUTION PROCEDURES

As used this Lease, the term "**Dispute**" means any and all disagreements, questions, claims, or controversies among the Parties arising out of or relating to this Lease, including the validity, construction, meaning, performance, effect, or breach of this Lease. Any issue or concern constituting a Dispute shall be subject to the Dispute Resolution Process set forth in Section 7 of the Master Agreement.

Attention: General Counsel

The parties hereto shall have the right from time to time to change their respective addresses for purposes of notice hereunder to any other location within the continental United States by giving ten (10) days advance notice to such effect in accordance with the provisions of this Section 19.1. Any notice given by counsel or authorized agent for a Party shall be deemed to have been given by such Party.

19.2 Modification and Non-Waiver. No variations, modifications, or changes herein or hereof shall be binding upon any Party hereto unless set forth in a writing executed by Landlord and Tenant. No waiver by either Party of any breach or default of any term, condition, or provision hereof, including without limitation the acceptance by Landlord of any Rent at any time or in any manner other than as herein provided, shall be deemed a waiver of any other or subsequent breaches or defaults of any kind, character, or description under any circumstance. No waiver of any breach or default of any term, condition, or provision hereof shall be implied from any action of any Party, and any such waiver, to be effective, shall be set out in a written instrument signed by the waiving Party.

19.3 Governing Law. This Lease shall be construed and enforced in accordance with the laws of the State of Texas.

19.4 Estoppel Certificate. Landlord and Tenant shall execute and deliver to each other, promptly upon any request therefor by the other Party, a certificate addressed as indicated by the requesting Party and stating:

(a) whether or not this Lease is in full force and effect;

(b) whether or not this Lease has been modified or amended in any respect, and submitting copies of such modifications or amendments;

(c) whether or not there are any existing Defaults or Landlord Event of Default hereunder known to the Party executing the certificate, and specifying the nature thereof; and

(d) such other matters as may be reasonably requested.

19.5 Severability. If any provision of this Lease or the application thereof to any Person or circumstance shall, at any time or to any extent, be invalid or unenforceable, and the basis of the bargain between the Parties hereto is not destroyed or rendered ineffective thereby, the remainder of this Lease, or the application of such provision to Persons or circumstances other than those as to which it is held invalid or unenforceable, shall not be affected thereby.

19.6 Attorneys' Fees. If litigation is instituted by either Party to enforce, or to seek damages for the breach of, any provision hereof, the prevailing Party therein shall be promptly reimbursed by the other Party for all attorneys' fees reasonably incurred by the prevailing Party in connection with such litigation. In addition, if an Event of Default or Landlord Event of Default occurs, the defaulting Party shall reimburse the non-defaulting Party for all attorneys' fees reasonably incurred by the non-defaulting Party in connection with such Event of Default or Landlord Event of Default.

19.7 Surrender of Premises: Holding Over. Subject to the provisions of Section 15.5 hereof, upon termination or expiration of this Lease, Tenant shall peaceably quit, deliver up, and surrender the Premises to Landlord as they may have been repaired, rebuilt, restored, altered, or added to as permitted or required by the provisions of this Lease in good order, repair, and condition, subject to ordinary wear and tear, casualty, condemnation, and matters that are the responsibility of Landlord hereunder. Upon such termination or expiration Landlord may, without further notice, enter upon, reenter, possess, and repossess itself of the Premises by summary proceedings, ejectment, or otherwise, and may dispossess and remove Tenant and all those claiming under Tenant from the Premises and may have, hold, and enjoy the Premises and all rental and other income therefrom, free of any claim by Tenant and those claiming under Tenant with respect thereto. If Tenant and those claiming under Tenant do not surrender possession of the Premises at the end of the Term, such action shall not extend the Term, Tenant shall be a tenant at sufferance, and during such time of occupancy Tenant shall pay to Landlord, as damages, an amount equal to 150% of the amount of Rent that was being paid immediately prior to the end of the Term. Landlord shall not be deemed to have accepted a surrender of the Premises by Tenant, or to have extended the Term, other than by execution of a written agreement specifically so stating.

19.8 Relation of Parties. It is the intention of Landlord and Tenant to hereby create the relationship of landlord and tenant, and no other relationship whatsoever is hereby created. Nothing in this Lease shall be construed to make Landlord and Tenant partners or joint venturers or to render either Party hereto liable for any obligation of the other.

19.9 Force Majeure. As used herein "**Force Majeure**" shall mean, with respect to Tenant or Landlord (the "**Force Majeure Party**"), the occurrence of any of the following: (i) strikes, lockouts or picketing (legal or illegal); (ii) riot, civil commotion, insurrection and war; (iii) fire or other casualty, accidents, acts of God or public enemy; or (iv) any other similar event which prevents or delays the performance by the Force Majeure Party of any of its obligations imposed upon it hereunder and the prevention or cessation of which event is beyond the reasonable control of the Force Majeure Party and is not a change in market or economic conditions. However, in no event shall inability to pay when due monetary sums be deemed to constitute Force Majeure. If a Force Majeure Party shall be delayed, hindered or prevented from performance of any of its obligations hereunder (other than to pay when due monetary sums) by reason of Force Majeure, the time for performance of such obligation shall be extended on a day-for-day basis for each day of actual delay, provided that the following requirements are complied with by the Force Majeure Party: (y) the Force Majeure Party shall give prompt written notice of such occurrence to the other Party, and (z) the Force Majeure Party shall diligently attempt to remove, resolve or otherwise eliminate such event, and minimize the cost and time delay associated with such event, keep the other Party advised with respect thereto, and commence performance of its obligations hereunder immediately upon such removal, resolution or elimination.

19.10 Non-Merger. Notwithstanding the fact that fee title to the Premises and to the Leasehold Estate may, at any time, be held by the same Person, there shall be no merger of the Leasehold Estate and fee estate unless the owner thereof executes and files for record in the Office of the County Clerk of Travis County, Texas a document expressly providing for the merger of such estates.

19.11 Memorandum of Lease. Landlord and Tenant will, simultaneously with the execution of this Lease, execute a memorandum of this Lease in the form of **Exhibit D**, which shall be filed for record in the Office of the County Clerk of Travis County, Texas, solely to give record notice of the existence of this Lease. No such memorandum shall in any way vary, modify or supersede this Lease. Except in connection with actual litigation between the Parties, this Lease shall not be filed for record.

19.12 Successors and Assigns. Subject to the limitations on assignment, subleasing and encumbrances set forth in this Lease, this Lease shall constitute a real right and covenant running with the Premises, and this Lease shall be binding upon and inure to the benefit of the Parties hereto and their respective permitted successors and assigns. Whenever a reference is made herein to either Party, such reference shall include the party's permitted successors and assigns.

19.13 Landlord's Joinder. Landlord agrees to join with Tenant in the execution of such applications for permits and licenses from any Governmental Authority as may be reasonably necessary or appropriate to effectuate the intents and purposes of this Lease, provided that no such application shall constitute an encumbrance of or with respect to the Premises, and Landlord shall not incur or become liable for any expenses or obligation as a result thereof.

19.14 No Third Parties Benefited. The terms and provisions of this Lease are for the sole benefit of Landlord and Tenant, and no third party whatsoever is intended to benefit herefrom or shall have any right to enforce this Lease.

19.15 Survival. Any terms and provisions of this Lease pertaining to rights, duties, or liabilities extending beyond the expiration or termination of this Lease, including indemnification obligations relating to events or conditions that occur or exist prior to such expiration or termination, shall survive the expiration or termination of this Lease.

19.16 Interest. If any Rent or other amount required to be paid by one Party to the other Party pursuant to this Lease is not paid when due, such amount shall bear interest at the Interest Rate from the date due until the date paid in full.

19.17 Limit on Damages/Liability.

(a) **WITH THE EXCEPTION OF ANY CLAIMS OR CLAIMS FOR WHICH LANDLORD IS ENTITLED TO BE INDEMNIFIED BY TENANT PURSUANT TO THE PROVISIONS OF SECTION 10.6(a) OR SECTION 9.1(d), TENANT SHALL BE LIABLE UNDER ANY PROVISION HEREOF ONLY FOR LANDLORD'S ACTUAL DAMAGES, AND SHALL NOT BE LIABLE FOR ANY OTHER DAMAGES, INCLUDING ANY INCIDENTAL, INDIRECT, CONSEQUENTIAL, PUNITIVE, EXEMPLARY, ENHANCED, SPECULATIVE, INTANGIBLE, OR SPECIAL DAMAGES (ALL RIGHTS THERETO BEING HEREBY WAIVED AND RELEASED). AS A FURTHER MATERIAL INDUCEMENT TO TENANT TO ENTER INTO THIS LEASE AND THE TRANSACTIONS DESCRIBED HEREIN, LANDLORD HEREBY REPRESENTS TO TENANT THAT LANDLORD HAS KNOWLEDGE AND EXPERIENCE IN FINANCIAL AND BUSINESS MATTERS THAT ENABLE LANDLORD TO EVALUATE THE MERITS AND RISKS OF THE TRANSACTIONS CONTEMPLATED BY THIS LEASE, HAS BARGAINED FOR AND OBTAINED A RENTAL PRICE AND OTHER TERMS UNDER THIS LEASE WHICH MAKE THE ACCEPTANCE OF AN AGREEMENT WHICH SUBSTANTIALLY LIMITS ITS RECOURSE AGAINST TENANT ACCEPTABLE, AND HAS BEEN AND WILL CONTINUE TO BE REPRESENTED BY LEGAL COUNSEL IN CONNECTION WITH THE TRANSACTIONS CONTEMPLATED IN THIS LEASE.**

(b) **WITH THE EXCEPTION OF ANY CLAIMS OR CLAIMS FOR WHICH TENANT IS ENTITLED TO BE INDEMNIFIED BY LANDLORD PURSUANT TO THE PROVISIONS OF SECTION 10.6(b), LANDLORD SHALL BE LIABLE UNDER ANY PROVISION HEREOF ONLY FOR TENANT'S ACTUAL DAMAGES, AND SHALL NOT BE LIABLE FOR ANY OTHER DAMAGES, INCLUDING ANY INCIDENTAL, INDIRECT, CONSEQUENTIAL, PUNITIVE, EXEMPLARY, ENHANCED, SPECULATIVE, INTANGIBLE, OR SPECIAL DAMAGES (ALL RIGHTS THERETO BEING HEREBY WAIVED AND RELEASED). FURTHER, AS A MATERIAL INDUCEMENT TO LANDLORD TO ENTER INTO THIS LEASE AND THE TRANSACTIONS**

DESCRIBED HEREIN, TENANT HEREBY WAIVES THE PROVISIONS OF THE TEXAS DECEPTIVE TRADE PRACTICES ACT-CONSUMER PROTECTION ACT, CHAPTER 17, SUBCHAPTER 3, SECTIONS 17.41 THROUGH 17.63, INCLUSIVE (OTHER THAN SECTION 17.555, WHICH IS NOT WAIVED). AS A FURTHER MATERIAL INDUCEMENT TO LANDLORD TO ENTER INTO THIS LEASE AND THE TRANSACTIONS DESCRIBED HEREIN, TENANT HEREBY REPRESENTS TO LANDLORD THAT TENANT IS LEASING AND ACQUIRING THE ASSETS FOR COMMERCIAL OR BUSINESS USE, HAS KNOWLEDGE AND EXPERIENCE IN FINANCIAL AND BUSINESS MATTERS THAT ENABLE TENANT TO EVALUATE THE MERITS AND RISKS OF THE TRANSACTIONS CONTEMPLATED BY THIS LEASE, HAS BARGAINED FOR AND OBTAINED A RENTAL PRICE AND OTHER TERMS UNDER THIS LEASE WHICH MAKE THE ACCEPTANCE OF AN AGREEMENT WHICH SUBSTANTIALLY LIMITS ITS RECOURSE AGAINST LANDLORD ACCEPTABLE, AND HAS BEEN AND WILL CONTINUE TO BE REPRESENTED BY LEGAL COUNSEL IN CONNECTION WITH THE TRANSACTIONS CONTEMPLATED IN THIS LEASE, AND (ii) TENANT MAY NOT RECOVER AGAINST LANDLORD FOR ANY "LOSS OF VALUE CLAIM" AS DEFINED HEREIN. AS USED HEREIN, "LOSS OF VALUE CLAIMS" SHALL MEAN ALL CLAIMS BY TENANT FOR DAMAGES, COSTS, FEES, EXPENSES, OR LIABILITIES ARISING OUT OF OR RELATED TO ANY BREACH OR ALLEGED BREACH BY LANDLORD OF ITS REPRESENTATIONS AND WARRANTIES TO TENANT. "LOSS OF VALUE CLAIMS" DO NOT INCLUDE ANY CLAIM BY TENANT AGAINST LANDLORD PURSUANT TO SECTION 10.6(B), ANY CLAIM BY TENANT FOR A BREACH BY LANDLORD OF A COVENANT, OR ANY CLAIM FOR THE PAYMENT OF MONEY BY LANDLORD TO TENANT HEREUNDER FOR SERVICES PERFORMED OR PROPERTY PROVIDED (WHETHER DURING THE TERM OR AT THE TERMINATION OF THIS LEASE).

(c) The obligations of Tenant and Landlord under this Lease are corporate obligations of Tenant and Landlord, respectively, and this Lease imposes no liability upon any member of the Board of Tenant or any member of the Board of Managers of Landlord or any other employee or agent of Tenant or Landlord. This provision is not intended to limit the liability, if any, of an individual under applicable law for his or her own acts or omissions. Additionally, Tenant's liability under this Lease is expressly subject to the liquidated damages contemplated in Section 15.4(f).

19.18 Broker. Landlord and Tenant represent and warrant each to the other that such Party has not dealt with any broker in connection with this Lease and that, insofar as such Party knows, no broker negotiated this Lease or is entitled to any commission in connection herewith. Landlord and Tenant each agree to reimburse the other Party for any losses, costs or damages (including reasonable attorneys' fees) incurred by the other Party as a consequence of the breach or falsity of the representations and warranties of such Party under this Section 19.18.

19.19 Signage. Tenant shall have the right to display signs at the Premises so long as the same comply with all Applicable Law.

19.20 Waiver of Tenant Rights and Benefits Under Section 93.012, Texas Property Code. Landlord and Tenant are knowledgeable and experienced in commercial leasing transactions and agree that the provisions of this Lease for determining all Base Rent, Additional Rent, Contingent Rent and other charges and amounts payable by Tenant, are commercially reasonable and valid even though such methods may not state a precise mathematical formula for determining such charges. ACCORDINGLY, TENANT VOLUNTARILY AND KNOWINGLY WAIVES ALL RIGHTS AND BENEFITS OF A TENANT UNDER SECTION 93.012, TEXAS PROPERTY CODE, AS SUCH SECTION NOW EXISTS.

19.21 Notification of Sale of Lease. Notwithstanding any other provision of this Lease, Landlord may, in its discretion, at any time during the Term sell all or any portion of its interest in the Premises; provided, however, that (i) Landlord shall give written notice to Tenant not less than sixty (60) days in advance of the proposed sale, (ii) any such sale shall be made expressly subject to all terms and conditions of this Lease.

19.22 Termination of the Amended and Restated Lease Agreement; Survival of Certain Provisions of Amended and Restated Lease Agreement. The Amended and Restated Lease Agreement is hereby terminated effective as of the Effective Date of this Lease; provided, however, that Section 11 (Indemnity) of the Amended and Restated Lease Agreement, and any other provision thereof that, by its terms, is intended to survive the expiration or earlier termination of the Amended and Restated Lease Agreement, shall survive the termination thereof and the expiration or earlier termination of this Lease.

19.23 Ancillary to Master Agreement. This Lease is entered into by the Parties pursuant to the terms of and is ancillary to the Master Agreement. In the event that any of the terms and provisions of this Lease shall conflict with any of the terms and provisions of the Master Agreement, the terms and provisions of the Master Agreement shall control.

19.24 Guaranty of Lease. Seton Healthcare Family will, simultaneously with the execution of this Lease, execute a guaranty of this Lease in the form of **Exhibit E**.

19.25 Financial Reporting. Tenant at all times during a Term of this Lease will keep books of record and account in accordance with generally accepted accounting principles and all applicable Medicare and other governmental requirements. As soon as available, Tenant shall annually provide to Landlord a copy of Tenant's and Seton Healthcare Family's fiscal year-end financial statements prepared in accordance with generally accepted accounting principles. If one of such financial statements are not audited by independent public accountants, then within 120 days after its fiscal year-end, Tenant, upon Landlord's written request, shall provide Landlord a letter from the independent public accountants for the entity whose financial statements are audited, describing the audit adjustments, if any, to the entity with the unaudited financial statements which are included in the other's audited financial statements. If audited financial statements are prepared by Tenant or Seton Healthcare Family for any fiscal year, Tenant shall provide to Landlord a copy of such audited financial statements of Tenant or Seton Healthcare Family, as applicable, as soon as they are available. In addition, Tenant shall annually deliver separate unaudited statements of revenues and expenses of University Medical Center Brackenridge.

EXHIBIT E

FORM OF GUARANTY

As a material inducement to Landlord to enter into the Lease Agreement, dated June 1, 2013 (the "**Lease**"), between **SETON FAMILY OF HOSPITALS**, a Texas nonprofit corporation, as Tenant, and **TRAVIS COUNTY HEALTHCARE DISTRICT D/B/A CENTRAL HEALTH**, a political subdivision of the State of Texas, as Landlord, **SETON HEALTHCARE FAMILY**, a Texas nonprofit corporation ("**Guarantor**"), hereby unconditionally and irrevocably guarantees the complete and timely performance of each obligation of Tenant (and any assignee) under the Lease and any extensions or renewals of and amendments to the Lease. This Guaranty is an absolute, primary, and continuing, guaranty of payment and performance and is independent of Tenant's obligations under the Lease. Guarantor shall be primarily liable, jointly and severally, with Tenant and any other guarantor of Tenant's obligations under the Lease. Guarantor waives any right to require Landlord to (a) join Tenant with Guarantor in any suit arising under this Guaranty, (b) proceed against or exhaust any security given to secure Tenant's obligations under the Lease, or (c) pursue or exhaust any other remedy in Landlord's power under the Lease.

Until all of Tenant's obligations to Landlord have been discharged in full, Guarantor shall have no right of subrogation against Tenant. Landlord may, without notice or demand and without affecting Guarantor's liability hereunder, from time to time, compromise, extend, renew or otherwise modify any or all of the terms of the Lease by amendment, novation or otherwise (including a new lease, to the extent a court of competent jurisdiction determines any of the foregoing constitutes a new lease), or fail to perfect, or fail to continue the perfection of, any security interests granted under the Lease. Without limiting the generality of the foregoing, if Tenant elects to increase the size of the leased premises, extend or renew the lease term, or otherwise expand Tenant's obligations under the Lease, Tenant's execution of such lease documentation shall constitute Guarantor's consent thereto (and such increased obligations of Tenant under the Lease shall constitute a guaranteed obligation hereunder); Guarantor hereby waives any and all rights to consent thereto.
