

Individual Reflection

Please make sure your writing is legible

First Name:

Last Name:

1. Select a workshop topic or health equity indicator you would like to focus on.
 - a. Access to Care
 - b. Health Care Outcomes
 - c. Quality of Care (Patient Experience)
 - d. Social Conditions
2. Identifying the problem/challenge: How could the Central Health Enterprise improve health equity around this indicator?
3. Please expand. How do you know this is a problem?
4. Who is it a problem for?
5. Why is this a problem? What is the root cause?
6. What is your proposed solution (intervention)?
