### APPLICANT RESPONSIBILITIES

Central Health's programs help people access health care by paying for or providing certain health care services. Whether you qualify for MAP or MAP Basic as a member or Central Health Financial Assistance or Justice Involved Health as one of its patients ("Central Health Programs", and each a "Program") depends on factors such as your income, where you live, the availability of other health care coverage, and the existence of alternate sources of payment for health care. However, your ethnicity, color, religion, creed, national origin, gender, disabling condition, sexual orientation, or political belief(s) will not be considered and will not affect your eligibility for these Programs.

By my signature below, I swear that all the statements I have made in connection with my application for Central Health Programs, including my answers to all questions about income, county of residence, and other payment sources are true and correct to the best of my knowledge and belief. I understand that, because my eligibility for these Programs is based on my answers to these questions, any omission, failure or refusal to provide Central Health with requested information or giving false or misleading information in response to eligibility questions, may cause Central Health to terminate my participation in Central Health's Programs and to seek recovery of any payment Central Health made on my behalf for health care services.

I agree to report any of the following life changes to Central Health within 14 days of the date of the change:

If Central Health identifies any unreported life changes applicable to my Program eligibility, I understand that my participation in the Program may be terminated and that Central Health can take any other action within its authority, including filing civil or criminal charges against me.

I understand that my enrollment in a Central Health Program is conditioned on my agreement to allow Central Health to verify the statements I have made in connection with my application for Program benefits and that enrollment status may remain pending until such agreement is given and verification is obtained from a credible source (e.g., Social Security Administration or the Texas Workforce Commission). I further understand and agree that Central Health may request that I pay for a portion of the cost of my health care and that Central Health may recover any costs it paid for my health care from a third party in the event that I file a claim for personal injury damages.
